

EXTRAORDINARY ADMINISTRATION
ITALIA WANBAO-ACC S.r.l

Invitation to express interest to the purchase of industrial assets (machinery for the manufacture of compressors) of Italia Wanbao-ACC S.r.l in Amministrazione Straordinaria (under Extraordinary Administration).

List of machineries for the manufacture of compressors and other related (ancillary and/or capital) assets for sale.

A. Products Intellectual Property

Designs and specifications for Kappa family, VSD 159, VSD 139, new motor project "VSD HCK", existing patents, brands availability: ACC, ZEM-Zanussi Elettromeccanica and VOE as listed in Attachment 1.

B. Manufacturing Lines

Mechanical lines, Motors lines, Assembly lines, including technical design, instructions, consumables, tooling and maintenance material as listed in Attachment 2.

C. 139 Motor Line industrialization

VSD motor line project and contracts.

D. Manufacturing stocks, accessories and not active lines and equipment

Assembly Line Gefit K2, ABB Robots, Dies, spare parts, consumables, tooling, finished products, raw and semi-finished material, all material and equipment not included in the previous point "B." and available in the factory as listed in Attachment 3.

E. Laboratories and equipment

Life & performance, chemical and electrical lab, application engineering lab including all the equipment and the material as listed in Attachment 4.

If required, Italia Wanbao ACC is available to provide technical assistance such as, but without limitations, support on manufacturing line and equipment disassembly and reassembly, training, assist production ramp-up, support on product / design optimization and adaptation, support on supply chain transition

The following assets are not included in the offer:

- Maintenance tool shop
- Low pressure compressors room 6 bar
- Reverberant and anechoic chambers
- Canteen and office furniture
- Waste water treatment
- All the material directly related to the building running (*e.i.* air conditioning/ heating system, lighting system)

PORTAFOGLIO MARCHI A TITOLARITA': ACC Compressors S.p.A.
